

ANIMATES

Your puppy checklist.

Everything you need to prepare for the arrival of your new puppy.

The essentials

- **Food** – Superior Nutrition for your puppy's development. If your puppy isn't already eating Superior Nutrition introduce it slowly to avoid an upset tummy.
 - **Toys** – A variety of chew and fun play toys for teething and to keep them stimulated.
 - **Treats** – Perfect for training and rewarding good behaviour.
 - **Flea and worming treatments** – Talk to the team in-store for advice on the best treatment for your puppy.
 - **Bedding** – Warm bed and blanket so they feel comfortable and safe.
 - **Crate** – To help with toilet training, sleep routines and a bedroom of their own.
 - **ID tag** – Personalise their collar with their name and your contact details.
 - **Collar, harness and lead** – Get your puppy used to the feeling of wearing them prior to going for walks.
-
- **Microchipping** – Identifies your puppy and links to your contact details in case they get lost.
 - **Vaccinations** – Book in for the vaccinations your puppy will need.

Useful items

-  **Bowls** – Food and water bowls.
-  **Poop bags** – For cleaning up after your puppy.
-  **Car harness** – Keep your puppy safe and secure while driving.
-  **Toilet training pads** – To help with toilet training while your pup learns.
-  **Stain and odour remover** – For easy clean up of accidents.
-  **Brushes and combs** – Keep their skin and coat in good condition and helps prevent matting.
-  **Shampoo** – Get them used to being bathed while they're young.
-  **Nail clippers** – Avoid sharp nails and scratches. Desensitise your dog from a young age.

DIY Dog Wash

After their vaccinations, wash your puppy in a friendly environment and save your bathroom from getting dirty. No appointment is needed, just take a towel.

Grooming

Professional grooming tailored to your puppy's needs. The Puppy Socialisation programme helps desensitise them from a young age.
